## ALGONA COMMUNITY SCHOOL DISTRICT Requirement for Entering School

### Kindergarten:

Immunizations required for entering Kindergarten. **(Required)**

- 5 Doses of DPT.                      1 Dose after the age of 4.
- 4 Doses of Polio.                    1 Dose after the age of 4.
- 2 Doses of MMR.                    1 Dose after the age of 12 months, and one at least one  
month after the first dose.
- 3 Doses of Hepatitis B.
- 2 Doses Varicella (chickenpox) after 12 months of age or proof of the disease.

Certificate of Immunization. **(Required)**

- Must submit a **completed** Certificate of Immunization before the child enrolls in school.

Physical. **(Strongly Encouraged)**

- You should submit a physical for us to have a medical history regarding your child.

Blood Lead Test. **(Required)**

- Your child must have a blood level test done and on record at your doctor's office, WIC, or Public Health Center. One test at any age is sufficient.

Dental Visit. **(Required)**

- Your child must have proof of a dental screening. The Certificate of Dental Screening form must be submitted to the school nurse.

Vision Screening. **(Strongly recommended, but not required)**

- The vision screening is highly recommended by the Iowa Legislature. Local eye doctors are offering screening for \$10.00 only during the month of May.

Birth certificate.

- **Required.**

Social Security.

- A copy of the social security card is requested.
